Notes:

To qualify for a bursary all five (5) or six (6) subjects must be examined and assessed at Katapult Business School.

Any bursary granted based on academic performance in an academic year is credited to next academic year's fees and is not paid out directly to a student or parent, under any circumstances. Preference will be given to students who have come from previously disadvantaged communities and/or having extreme financial difficulties. The Management Team is responsible for evaluating the bursary applications and for submitting its recommendations to the Managing Director for approval.

Bursaries will be confirmed in February 2020. The Managing Director will have final discretion.
